

Quick Start Guide

URL: <https://tgptestbottle.hk>

Step 1: Create User Profile (*first time only, not needed for subsequent orders)

1.1 On homepage, click "Create Private Medical Practitioner (PMP) User Profile".

1.2 Input details, e.g. phone number, address, and click Submit.

Step 2: Place Order

2.1 On homepage, click "Order Specimen Collection Kits".

2.2 Input your phone number and click Search.

2.3 Input the quantity to be ordered and click "Submit Order".

2.4 Verify and confirm the order.

2.5 Record the "Code for Order Cancellation". No cancellation can be done without such code.

If order cancellation is needed, please:

a. On homepage, click "Cancel Specimen Collection Kits Order".

b. Input the "Code for Order Cancellation" and click Search.

c. Verify the details and click Confirm to Cancel.

– END –
